King's Kids Connection

By Miss Nancy

What a difference a few weeks make in the weather. It was fun hearing thunder again on Monday night... although all the kids didn't agree!

As we approach April, I want to remind you that we not only practice fire drills, we also add storm drills. Our location is in the toddler room for all the children who are located downstairs. It is a lower, inside room, surrounded by cement and no windows. The children actually practice crouching down and put their hands over their heads. The infants are packed into their "traveling cribs" and brought into the women's bathroom across from the infant room. Again, this is an inside room, the door is shut, and there are no windows.

This is always a good month to remind families to make their plan as well. Do you have a flashlight? Where do you meet? Will there be snacks and diapers needed? God teaches us to have wisdom and be prepared.

Parent/Teacher Conferences

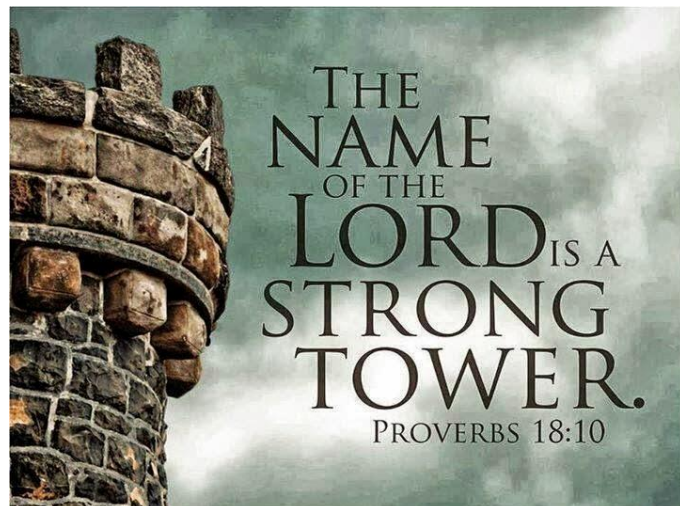

- Please note that Parent/Teachers conferences are coming up at the end of this month. We encourage ALL parents to attend. These first 5 years are the most formative and our teachers do a great job of letting you know how your child is doing.

Bible Verse of the Week

"The name of the Lord is a strong tower, the righteous run to it and are safe."

-Proverbs 18:10
