King's Kids Connection

By Miss Nancy

We certainly are "The Frozen Chosen" this week. Thankful that we have a gym for the kids to move their bodies! Last week, we celebrated "Chocolate" and it was one of the most fun units. (Especially for our staff.)

Happy Birthday

- February 11th: Elliot
- February 16th: Nyla
- February 17th: Ms. Stephanie

Calendar

- This Friday, February 12th, is Valentine's parties from 9-11. If you are NOT normally here on Fridays but plan to come, you must let me and your child's teacher know so we are staffed for it.
- We are CLOSED this Monday, February 15th, for staff In-Service.

Safety First

With all the recent events on the news, please never leave your child alone in your car and don't leave it unlocked. Unfortunately, Child Care Centers are known as easy targets for robberies.

Servant Hearts

Jesus was the greatest servant of all, and we want the children to model Him. Here are a few things we do with fun at the center that you can also try at home: "Everyone pick up 16 scraps off the floor" (Change the number every time) Put your tray (plate) at the sink area... throw away napkin. Put your papers in your cubby...no papers on the floor. Help the teacher wash the table... Set the napkins... Remember...you are getting them ready now to be Godly, independent citizens someday. It's amazing what kids can do with great expectations. And don't forget to praise, praise, PRAISE.

Bible Verse of the Week

"He came to serve others and to give his life as a ransom for many people" Matthew 20:28

We Have Kicked Off KHC!

Kids Heart Challenge Service-Learning Program is under way and our students are doing a great job. Your student is learning heart healthy habits while giving students the opportunity to help others in our community. Please be sure to ask your child about what they are learning and what they can do to make a difference. The first part of the Kids Heart Challenge is to encourage students to take care of their own hearts by making healthy choices. Participation is simple. All you have to do is help your student **Register Online**. When registered, students will choose to work on: Choosing water over sugary drinks; Exercising for 60 minutes a day; Doing one act of kindness a day.

For your efforts, every **REGISTERED** student will get a free **Wristband** with a secret code. Please refer to this [Virtual Envelope](#) to reveal the secret codes throughout Kids heart Challenge.

Here's how you can help:
