Kid's Heart Challenge Thank You

Thank you to everyone who supported our Kids Heart Challenge event last Friday! **Over \$2,600 was raised** for the American Heart Association! While we didn't quite reach our goal of having 40 students register to take a challenge, we're proud of the hard work of the students and their commitment to practicing heart health.

King's Kids Connection

By Miss Nancy

Goodbye, February!

We wave goodbye to February. It was certainly exciting! We had chocolate week, Valentine's parties and will end this week with PJ Movie Day!

This week our focus is on the wonderful families that come to our center. We have the privilege to not only take care of your kiddos, but also to get to know you. We know your most precious gift is your children and we take that seriously. We thank you for being a part of our "Trinity Family".

Birthdays

- March 3rd: Daniel

Calendar

The February King's Kids calendar is attached to this newsletter.

- Special Mention to Friday, February 26th, for PJ Movie Day.

Outside Apparel

We are going outside again! After a very long cold snap, we are able to get out and frolic in the snow. Be sure your child has a jacket, boots, snow pants, hats and mittens! Fresh air is an amazing thing for kids.

Covid Updates

We have been very blessed that our center has had very few encounters with the virus. This is the season Influenza usually starts so we are watching carefully as it brings the same symptoms as Covid-19. At our in-service, we talked about not getting complacent with dealing with it. We continue to take temps, clean and disinfect, and ask you to continue to be amazing helping us. Please remember to not enter the classrooms, wash your hands, and keep your child home if any symptoms occur. We've almost been in this a year and I think we all have handled a Pandemic pretty great.

Bible Verse of the Week

Here's a verse I just love...had to share:

"I have written your name on my hand". Isaiah 49:16

@Cowboy Jack's in Otsego

- Join the fellow Trinity Mom's for a fun night out of socializing.
- We will have a couple of fun door prizes to raffle off for those who attend!
- We will have the party room reserved at the restaurant for when you arrive.

Trinity's ^{optional} March STEM Club Challenge

Challenge: Can you design something that floats? It must be at least 6 inches long or tall.

Follow the Engineering Design Process. Use the handout on the back to assist you in the process.

Materials: Free Choice (Aluminum foil, foam plates, or the objects of your choice.)

Bonus: If possible, see how much weight you can get your object to hold by placing items in it (i.e. loose change!)

Due to Trinity Lutheran School on
Monday, March 22nd.
