King's Kids Connection

By Miss Nancy

We have reached "Love" month. Jesus commands us to "Love One Another". It's easy to love these children at our center. Big thank you to Mr. Avery for painting our walls and giving us a fresh look. I have to talk about this week's curriculum. It is the envy of all. It has been "Chocolate" week. Kids are doing a real-life curriculum about it. They got to learn various facts, do some fun projects and even taste tested. Today we made an exception and had chocolate milk with lunch.

Birthdays

Calendar

I have attached the February Calendar. I also have made hard copies that you can pick up on the downstairs table. **Reminder: We are CLOSED Monday, February 15th.**

Valentine's Day

Next week we have a very fun Friday planned as we celebrate Valentine's Day. We will have our parties from 9-11. Children who normally do not come on Fridays are invited to come. You can drop them off at 9 and pick them up at 11.

Here is how we do Valentines. On the envelope just put "to Friend" and sign your child's name on the inside. Then the kids pass them around the circle.

Here are the numbers you will need:

- **Infants:** 7 plus Belinda and Ana (optional)
- **Toddlers:** 9 plus Stephanie, Jerrica and Chayse
- **Yellow (Nicole):** 10 plus Nicole and Lindsey
- **Blue (Lidia):** 16 plus Lidia, Tabytha, Kayla and Morgan
- **King's Club...** They can do their own friends.

Staff is Ms. Lindsey, Morgan and Maisy.

We are still looking for parents to sign up to bring snacks, etc. They are by the classroom doors.

Bible Verse of the Week

"A new command I give you: Love one another. As I have loved you, so you must love one another." - **John 13:34**

We Have Kicked Off KHC!

Kids Heart Challenge Service-Learning Program is under way and our students are doing a great job. Your student is learning heart healthy habits while giving students the opportunity to help others in our community. Please be sure to ask your child about what they are learning and what they can do to make a difference. The first part of the Kids Heart Challenge is to encourage students to take care of their own hearts by making healthy choices. Participation is simple. All you have to do is help your student **Register Online**. When registered, students will choose to work on: Choosing water over sugary drinks; Exercising for 60 minutes a day; Doing one act of kindness a day.

For your efforts, every **REGISTERED** student will get a free **Wristband** with a secret code. Please refer to this [Virtual Envelope](#) to reveal the secret codes throughout Kids heart Challenge.

Here's how you can help:

1. Go online and Register at <http://www2.heart.org/goto/trinitylutheran> or download the "Kids Heart Challenge" app in your app store.
2. Take the Challenge.
3. Send 10 Emails or Ecards to friends and family
4. Participate in Finn's Mission-

We have some **BONUS** incentives for our students this year.

- If **40 Students** take the challenge – Mr. Yatckoske will be **SLIMED!**
- **Complete Finn's Mission or Raise \$100** - Get limited edition "Agent KHC".
- **Classroom Challenge Incentive:** Will earn a fun surprise.

Thanks again for being part of the Kids Heart Challenge, supporting our school and the American Heart Association. Together, we are making a difference.
