Spring Break Next Week

The weather is warming up and our Spring Break is just a couple few days away! K-8th grade will have no school on **Monday-Friday, March 8th-12th**. Enjoy the break!

CPL Meeting Tonight

The CPL (Christian Parent League) has their next meeting via Zoom tonight, **Thursday, March 4th**, at **7:00 p.m.** They would love to have any and all parents join in this meeting as they look forward to planning for the Silent Auction and more. Join via this link:

<https://zoom.us/j/98110333715?pwd=RUFNNVhkdE03dDZ5bkJVTUZQbVBCUT09>

Mom's Night Out

The CPL is hosting a Mom's Night Out **tomorrow, Friday, March 5th**, from **7:00-10:00 p.m.** at Cowboy Jack's in Otsego. See the attached flyer for more details.

No Bussing Days

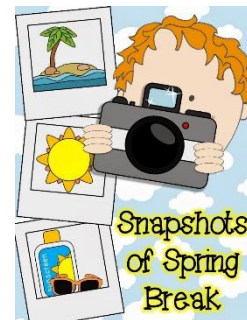

We have some days coming up that Trinity is in session, but ISD 15 is not. This means there will be no bussing on these days. Dates include:

- Friday, March 5th
- Monday, March 22nd
- Friday, May 7th

We will keep you updated if any additional changes occur.

Spring Break Pictures

We'd love to see the fun your family is up to over Spring Break! Send Mr. Y a picture showing how your family is enjoying the time off, and he'll include it in his morning announcements video the week following Spring Break! You can email these to Mr. Y at jyatckoske@trinitysf.org. We can't wait to see them!

March Breakout Challenge Going Out After Break

With our Spring Break coming up, we've pushed back our March Breakout Challenge to later in the month, but don't worry, it is still taking place! Look for the challenge to be emailed out on **Monday, March 15th**. Completion pictures are due back by **Monday, March 22nd**.

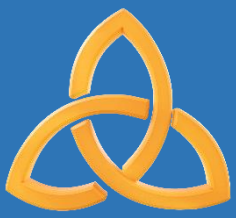

March STEM Challenge

If you'd like to take part in the March STEM Challenge, check out the attached flyer.

King's Kids Connection

By Miss Nancy

Marching Into March

We are marching into March! I was formerly a band teacher and I can hear the drum cadence as we worked our way down many streets. Each step at Trinity King's Kids brings us to our destination of being ready for Kindergarten.

According to Center on the Developing Child of Harvard University, 90% of a child brain's development happens before the age of 5. This statistic amazes many people and parents in particular to be very careful in raising their children in their early years. We help you teach them to walk, talk, calm down, imagine, sort, color, and develop their personalities.

Add that in those most formative first 5 years we also add in Jesus. Each time a child here transitions to the next older room, not only are we watching them get closer to Kindergarten but also to becoming the wonderful adults God intended them to be. Treating others with love, dignity and respect are the most important qualities we strive to help you "raise up" your precious child.

WE ARE GOD'S CHILDREN

Birthdays

- March 12th: Ms. Chayse
- March 13th: Remington

Calendar

- See Attached March Calendar.
- I also have paper copies on the downstairs table.

Spring Break for ISD 15 and Trinity K-8 Students Next Week

- That means you get to use your culinary skills and pack home lunches next week.
- Also please let us know if you will not be here for any reason. King's Club is OPEN!

Remember: The "luckiest thing" we have this month is that Jesus died for us!

King's Kids March 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1  Remi	2	3  Daniel	4	5 No ISD KC Open	6

	Mustard Seed Faith					

**March 5th, 2021
7pm - 10pm**

@Cowboy Jack's in Otsego

- Join the fellow Trinity Mom's for a fun night out of socializing.
- We will have a couple of fun door prizes to raffle off for those who attend!
- We will have the party room reserved at the restaurant for when you arrive.

Optional Trinity's March STEM Club Challenge

Challenge: Can you design something that floats? It must be at least 6 inches long or tall.

Follow the Engineering Design Process. Use the handout on the back to assist you in the process.

Materials: Free Choice (Aluminum foil, foam plates, or the objects of your choice.)

Bonus: If possible, see how much weight you can get your object to hold by placing items in it (i.e. loose change!)

Due to Trinity Lutheran School on
Monday, March 22nd.

Engineering Design Process
