Quarter 1 Midpoint

The midway point of the first quarter is already upon us. This is on **Tuesday, October 6th**. This is a great opportunity for you to check in on your child's progress on RenWeb or with your child's teacher and let them know if you have any questions or concerns.

CPL Fall Social Next Friday

The CPL's Fall Family Social is taking place next **Friday, October 9th** from **6:00-9:00 p.m.** The Hauck family will be hosting the event this year. There will be a bonfire, so bring a lawn chair to sit in and a snack to share if you would like. Water, cider, and milk will be available, but bring whatever else you would like in addition. See the attached flyer for the Hauck family's address and more details. We hope you can join us!

Lunches

The USDA is currently offering a "free lunch program". At this time, it will either run until December 31st or until there are no more funds available. Trinity is charged a fee to have our lunches delivered from the district, so every lunch ordered will be charged a small **\$0.50 fee** to cover this charge. This price will be retroactive back to **Monday, September 14th**.

Fall Walk-a-thon Event Coming Up!

WALK-A-THON

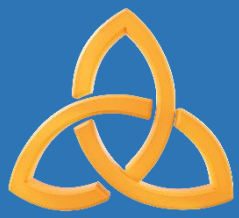

This CPL is hosting a walk-a-thon event on **Friday, October 30th**. This will take place during the school day at **12:30 p.m.** following lunch.

The CPL is busy planning for this event but could still use some help for it. **Our goal is to raise \$5,000 through this event**. Look for packets with more information going home the beginning of this month.

Reformation Party

We will be hosting an outdoor Reformation Party on **Saturday, October 31st** from **5:00-8:00 p.m.** in the parking lot. There will be outdoor games set up, a photo backdrop, and more! Mark your calendars and plan to join us for this fun evening!

King's Kids Connection

By Miss Nancy

This is the Day the Lord Has Made. Let Us rejoice and be glad in it!

Hello October!

King's Kids is going strong and having a wonderful time learning about Jesus...and all the other important stuff:) I am working on the November/December schedule and will have it out by Mid-October. We are still in 2020 and things may need to look different this year. So far, we have all had to be pretty amazing at being creative in life and we will continue to do so.

Happy Birthday!

- 10/6: Charlotte Hughes

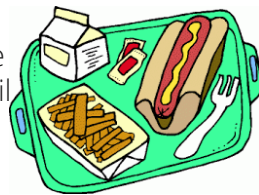

Picture Day

- Friday, October 2nd, is Picture Day! Don't forget to dress up and smile. Your proofs will be printed on an envelope that you take home the same day. You can order with me the next week **OR** order online.

Lunch

- For the families that have opted for the Free Lunches. I had mentioned before there is a fee per meal as we are charged for the school to deliver it each day. The cost will be \$0.50 per meal. The billing will soon reflect this. Families who were on the free program prior to this will have no charge. Yesterday we served 61 meals! It is such a wonderful option to have hot lunch!

MEA

- MEA is coming! October 15th and 16th is MEA. I will need a head count as to how many children will be needing our service for those two days. Staff is planning some projects, movies, and special snacks.

Out of the Office

- Ms. Nancy is out next week. I had planned a vacation in mid-July and some COVID related matters postponed it. My favorite season by far is Fall so I plan to take some road trips and rest... If you have questions you can try to email me or ask my competent staff.

I thank God each week that feels "normal" Please join me in continuing to pray for the health of all our families, including staff, until this Pandemic is a mere memory. To God we are all essential.

BONFIRE ~ Bring a lawn chair!

TREATS ~ Bring a snack to share (Optional for those who would like to)

BEVERAGES ~ We will have water, cider and milk. Bring whatever else you like in addition!

Event Hosted by : Christian Parent League (CPL)

Optional Trinity's October STEM Club Challenge

Challenge: Create something useful out of recyclable materials.

Follow the Engineering Design Process. Use the handout on the back to assist you in the process.

Materials: Use items you can recycle at home: milk jugs, bottles, cans, boxes, and more!

Your completed design should be something that can be used to make life easier. The sky's the limit!

Due to Trinity Lutheran School on
Monday, October 26th.
